CINEVILLE COLLEGE

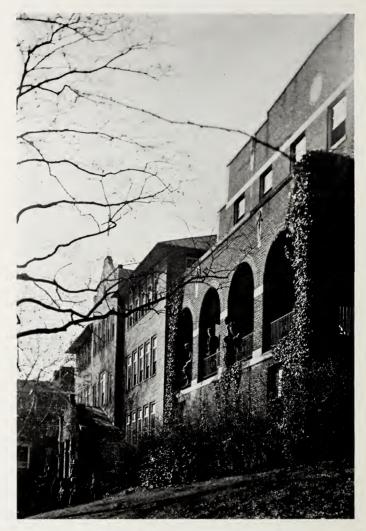

PRESIDENT A. A. PAGE Elected in October, 1941

# DEDICATION

To a man held high in the esteem of both the faculty and student body of Pikeville College we, the 1942 Highlander Staff, dedicate this book. We wish to show honor to a wise counsellor who, through his spirit of friendliness, his understanding of all situations, has shown sincere interest in each student. The desire to carry on the fine traditions of Pikeville College has won for him the respect and love of those associated with him.

# HONOR STUDENTS IN COLLEGE AND ACADEMY

The annual Honor Banquet, given for those students of the College and Academy who made a standing of B or above for the semester immediately preceeding or for the whole period of college or Academy work, was held April 23, 1942, in the college cafeteria. The guest speaker was Dr. John Gray Rhine, pastor of the Northminster Presbyterian Church of Columbus, Ohio.

Those College students eligible for the banquet were: Sophomores—Violet Turner Allen, Lucinda Bevins, Mary Burchell, Gertrude Clay, Cecil Conley, Robert Cool, Sally Deskins, Margaret Elliott, Kelsey Friend, Margaret Scott Harris, Betty Huntsberry, Alice Justice, Hassie Little, Robert Miller, Pete Panzera, Mary Ruth Poole, Irene Preston, Ray Stratton, Clara Mae White, Homer Wright; Freshmen—Norman Chrisman, Edith Conn, Anna Forsyth, Gail Hopson, Madelyn Johnson, James Justice, Loonie Maynard, Beth Scott, Lola Tackett, Shirley Vanderpool.

The Academy students eligible were: Ruth Ann Bowman, Jessie Hobson, Mary Ann Huffman, Jesse Hutcheson, Nadia Keathley, Gene Leslie, Charlene Ratliff, Thomas Ratliff, Bernice Spears, Geneva Syck, John Thompson, Doris Vinton, Elizabeth Vinton.

## CLASS POEM-1942

A class of seventy-three we are About to leave our place To oncomers of another class, More people of our race.

You've met all of us As a group or as one But let us tell you The stories of some.

First we'll take Bobby Who is zealously fun Cause don't you see He's all Run-yon.

Cecil Conley (brainey)
Is known to us all
For the high marks he makes
From fall to fall.

And then, Homer Wright, Our banker is he And also our beloved President you see.

Panzera, our secretary, Is next in line Cause with the girls He sure does shine.

To Granvil we have To give our dimes For on each morn "Class dues due" he chimes.

Kelsey Friend We mustn't forget Cause there's one girl's heart He has as yet. And then there is another, It is Betty Our campus queen And our little redheadey.

Sally and Clara Mae A clan you remember That were never apart From Jan. till December.

Let us remember Irene Preston And also Miss Poole Cause blab and talk Is all they ever do.

Crawford, Smokey, Jess and Perry Boys we're proud we know Make good soph. Bears Everywhere they go.

A sweet little lady Of us Miss Landrum is one She is our sponsor Serious but fun.

To mention all of us Would be a pleasure indeed But that I can not do Nor either give our creed.

So as for all the rest Of our class We'll say look back Into the pages past.

And now, to end this poem And to say adieu We've enjoyed being it We hope you've enjoyed it too.

# SPIRITUAL EMPHASIS WEEK

The week of Spiritual Emphasis has been, for the past several years, one of the important weeks of the school year. This week usually comes early in the spring and always very enlightening speakers have held the meetings. This year's week of spiritual meetings began on March 8 and continued through March 13.

"Life is an adventure and we are all adventurers," was one of the opening remarks made by Reverend Robert M. Skinner, of Pottsville, Pennsylvania, who was the guest speaker at the College for the Spiritual Emphasis Week of 1942.

The first two meetings of the week were held by Reverend Hutcheson of the Pikeville Presbyterian Church in the absence of the speaker. Mr. Skinner opened the Monday evening meeting in Wickham Chapel and continued during the week, speaking also at the morning chapel services. The evening sermons, which were highly interesting as well as beneficial, took the audiences on adventures in Christian living, thinking, faith, prayer and love.

Members of both faculty and student body took part in the services—all in spirit, many verbally. The Y.W.C.A. and Y.M.C.A. helped with scripture and prayer, and special music was furnished nightly by some members of the student body. There were periods in the morning set aside for private conferences with Mr. Skinner, and many students took the opportunity to meet and talk with him.

All of those who came in contact with Reverend Skinner and with Spiritual Emphasis Week experienced a spiritual uplift that should remain with them far into the future.

Every Sunday and some week nights students and faculty members of Pikeville College go into rural communities to teach Sunday Schools and to assist in church services. Some teach classes, some lead singing, others offer their services by reading poems or the Scripture—or even by just carrying the organ and song books to the meeting houses.

They give their services freely, feeling it a privilege to work for the Lord Jesus in furthering His Kingdom. The work gives the young people training in Christian work and strengthens their own Christian lives.

Rare fellowship is enjoyed by this group among themselves and the members of the many rural Sunday Schools.

# Y. W. C. A.

This year has seen considerable growth in the spirit and membership of the Young Women's Christian Association. Through the media of discussion meetings, outside speakers and the strong bonds of friendship the Y. W. C. A. has found a place in the hearts of all and has drawn its members closer to Christianity. The best wishes of the group go to their beloved friend and advisor, Miss Elizabeth North, and to the future Y. W.'s of Pikeville College.

Every Tuesday evening the Y. M. C. A. holds a short meeting which serves to bind its members together and to further the ideals on which Pikeville College is founded. These meetings do not comprise the full program of the Y. M., but in them one finds its spirit. The group is proud of its name and hopes that it will always prove a vital force in the life on the campus.

The Spilman Memorial International Relations Club was organized in 1941. Its purpose is to afford discussion upon international affairs. In the two years of its existence, it feels that it has made a contribution to the intellectual and social life of the campus.

The members of the club are particularly proud of their contribution to the library. Since the club has the backing of the Carnegie Endowment for International Peace, it has its own collection of books which form part of an ever-growing International Relations Club Library. In addition, the Carnegie Endowment provides a Fortnightly Summary of Current Events and a subscription to Foreign Policy Reports, plus other miscellaneous literature. It has been our privilege to watch this collection grow, and we think with pardonable pride of the size of our future collection.

The discussions have been, on the whole, stimulating, and continuous interest has been shown, particularly since the United States became a participant in the war.

The College Glee Club has given several performances this year under the direction of Miss Elsara Wallace. It has appeared in the College and Academy chapels several times and also furnished music for Spiritual Emphasis Wolfer

Nine members of the Glee Club represented it at a church meeting at the Northminster Presbyterian Church in Columbus, Ohio, in February. These members were: Edith Conn, Vivian Coleman, Annette Donaldson, Brooke Scott, Juanita Staton, Norman Chrisman, Edward McGlothlin, James Ritz and Ray Stratton. The songs selected by the group were mountain ballads and negro spirituals.

A girls' quartet consisting of Edith Conn, Brooke Scott, Annette Donaldson and Vivian Coleman has been trained by Miss Wallace and has performed several times. It made a second trip to Columbus to sing again at the Northminster Church for the Women's Presbyterial Meeting of Northern Ohio. It also made several appearances during the Rotary Convention which was held in Pikeville during the last week of April.

One of the most interesting activities of this school year was the Negro Minstrel given under the direction of Miss Spilman and Miss Murray. The profit made from this minstrel was used for the benefit of the club.

Of all the things the club has done this year the making of the service flag is considered the the most important. There will be more than one hundred stars embroidered on it when it is completed.

During the year the girls enjoyed many interesting meetings, many of which were social.

The purpose of the Future Teachers of Kentucky Club is to emphasize the work and responsibilities which one assumes when he becomes a teacher.

The programs for the monthly meetings of this club feature group singing, the telling of stories suitable for small children, the oral reading of poetry, instrumental music usually available in rural communities, and demonstration teaching. At each meeting a prominent school official in this area of Kentucky is invited to discuss a topic of interest to teachers.

### ALUMNI ASSOCIATION

1,200 Alumni and almost four times that number of non-graduates have gone out from Pikeville College to do their work in the world. Their activities cover many fields of service, including the armed forces of the United States, and their homes are scattered to the far places of the world. In many ways they have expressed their love and loyalty to their Alma Mater. At the fiftieth anniversary of the founding of the College they gave the James F. Record Memorial Chimes which are now heard every day at sunset. Since that time the Alumni have contributed as an association \$2,500 to the building fund for the new gymnasium. As individuals the members of this association are working constantly hand in hand to advance the interests of Pikeville College.

### THE ARMED SERVICES' HONOR ROLL

In this our hour of national peril, Pikeville College is proud to pay tribute to its men who have evidenced their willingness to offer the supreme sacrifice for the nation. The following list of Alumni and former students of Pikeville College in the Armed Services of the United States may not be complete; we know that it will grow and that others will deserve recognition in another Annual. We do not know where each of these men is serving nor in what capacity each is engaged, but we are certain that where our men are they are serving their country and their college well. We are proud of them. They will do their job well.

COACH J. K. RASH

# THE COACH

Coach J. K. Rash came to Pikeville College in 1937 and has now finished his fifth year as coach of the Bears. Each of his teams has seen success. His 1938-39 team won the most games (18 out of 23); his 1940-41 team was victorious in 16 out of 24 contests; but the best showing has been made by his 1941-42 team. Its score is but 14 out of 20 games, but for the first time a Pikeville College basketball team has won the Southeastern championship. We wish him luck and his future teams much success.

### THE BEARS

The 1941-42 Bears had one of the most successful basketball seasons in the history of Pikeville College.

The Rashmen opened the season by defeating a strong Alumni outfit composed of several men from last year's squad and a few other former Bear stars by a score of 53-48. The Bears got off to an early lead and were never headed. Harmon and Blankenship paced the Bruins with 19 and 13 respectively but Clyde Blackburn of the Alumni took high scoring honors with 21.

The Bears went to Ashland on December 5 and lost a heartbreaker by a score of 39-38. The Bruins grabbed an early lead and held it until the last quarter. With three minutes to play, the Thorobreds tied the score; with less than a minute to go they forged ahead and won.

On Monday, December 8, Mayo Vocational came to town and was downed with little trouble by a score of 54-27. Harmon and Blankenship led the Bears again with 17 and 13 respectively, although all the boys figured in the scoring.

On December 14, the Bears hit the road. The first stop was at London where they tangled with Sue Bennett's Green Dragons. The Dragons were hot and turned back the invading Bears to the tune of 55-44. Harmon and Crawford led the Bears, while Combs paced the winners.

On to Columbia the next day, and bad luck still followed the Bears. Lindsey Wilson's Blue Raiders downed the Rashmen 57-42. The game was much closer than the score indicated; it was also plenty rough. Blankenship was high scorer for the Bears with 13 and Agers paced the Blue Raiders with 17.

The Bears rolled into Campbellsville with such blood in their eyes that they snowed the Campbellsville Tigers under by a score of 57-34. Big Jess Collier sparked the Bruins with 23 points and stole the show with several sensational shots.

CRAWFORD Combining speed, combining speed, persistence, and a good eye, Les turned out to be one of the better scorers on the team. He was also "very much" in the game sively. defen-

COLLIER Jesse lived up to Jesse lived up to predictions and used his speed and driving technique much to the irritation of opponents. He was at his best when fighting for the ball on rebounds.

HARMON Alex proved that size is not the only thing in bas-ketball. This was his first year with the Bears, but he won such honors as All-Kentucky Junior College and All - Southeastern Junior College and should be a main-stay of next year's team.

RLANKENSHIP "Smoky" used his speed and scrap to best advantage this year and this year and teamed with his mates to turn many a play into another basket for the Bears.

CLINE Perry's size, stead-Perry's size, stead-iness, and compet-itive spirit made him an important factor in the suc-cess of the team, especially in win-ning the South-eastern.

January 8 found Coach Rash and his Bears back on the road. They invaded Lee's College and were held to the lowest score of the year, but they nipped the home team 27-26. Varney paced the Bears followed closely by Harmon. Sexton played a brilliant defensive game.

The next night the Bears were in Morehead, where they conquered the Frosh 46-35. This was one of the fastest games of the year. Harmon and Cline led the Bears, and Brand paced

CHAMPIONSHIP TROPHY

Won by the Bears in the Southeastern Jun-ior College Basket-ball Tournament held at Boaz, Ala., March

On Monday, January 12, the Bears started a home stand. They opened with Lee's and downed them by a score of 45-37. The Bears were slow in getting started, but, after the first quarter, rolled like a well-oiled machine. Cline, Blankenship, and Harmon all hit in the double figures for the Bears and Landrum led the invading force from Jackson.

The Bruins made it two in one week on Friday night when they trounced Morehead Frosh for the second time by a score of 57-27. The Bears were hot that night and really hit the hoop. Cline, Blankenship, and Harmon again hit in the double figures. The rest of the boys contributed nicely to both offense and the defense.

On Friday, January 23, the Rashmen suffered the first home defeat at the hands of Sue Bennett's Green Dragons. The Bears were slow getting started and that cost them the ball game. The end of the first quarter score was 15-2 in favor of Sue Bennett; the final score was 49-43. Harmon paced the Bruins and Combs led the Sue Bennett team.

SEXTON

Bennett used his speed and excellent defensive ability to best advantage this year. His is one of the guarantees of another "great" team in 1942-43

PRICE

Charles entered at mid-year and soon demonstrated that he is a worthy member of the Bears. His size an d all-around ability made him invaluable, especially in the South-Eastern Tournament. He will be a member of the 1942-43 team.

PINSON

Medley joined the squad at the beginning of the second semester and very quickly became an important member of the team. He used his rebounding ability to good advantage. Much is expected from him next year.

SMITH

Yard B'rd' is undoubtedly the bestliked member of the squad. His regularity at practice did much to bring about the success of this year's team. Next year should be a good one for Willie.

#### SALISBURY

Herb entered so late the second semester that he almost missed getting in on basketball. He did see enough action to show that great things can be expected from him next year.

The Bears jumped back into the win column on Tuesday, January 27. They went to Paintsville and smashed Mayo Vocational by a score of 64-28. Mayo scored first but were soon left behind. The score at the half was 34-4. Every man on the Bear's squad played and most of them contributed to the scoring.

On Thursday, January 29, the Bears came back home to down a strong Cumberland College team 60-50. This was a fast ball game featured by the work of Ed Fish, a member of the invading force. Fish collected 25 points

Bears with 14 and 13 respectively.

On February 6, the undefeated Lindsey Wilson Blue Raiders came to town. The Raiders left town defeated. The Bears tripped them 52-45 in one of the most thrilling games ever seen in the Pikeville College gym. The lead changed hands many times and the largest lead was the seven points the Bears had when the game was over. Harmon swished the net the most for the Bears; House paced the losers.

Friday the 13th was no jinx for the Bears. On that day they steam rolled the Campbellsville Tigers by a score of 68-15. All the Bears saw action in this game and most of them figured in the scoring.

On Thursday, February 19, the Bears played their last home game with Ashland. The Bears had two bad quarters which the Thorobreds took advantage of to hand the Bears their worst defeat of the year. At the half the Bruins trailed 34-19. During the third quarter the Bears scored 19 points, while Ashland scored only 6 bringing the

score to 40-38. But Collier fouled out at the begining of the last quarter and Ashland turned the tables. The final score was 66-44.

On February 23, the Rashmen started tournament play in the Conference Tournament. They defeated Lee's in the opener 60-45. The Bears got a slow start and at half time the score was tied at 25 all. The second half was a different story, however, and the Bears left Lee's far behind. In the semi-finals the Bears were knocked off by Cumberland. The game was fast and rough, featured by several fouls. The final score was 49-40.

The Bears next tournament play was at Boaz, Alabama, where they competed in the Southeastern Junior College Tournament. They travelled for 18 hours, slept about five hours, played three ball games in one day, and came back home "with the bacon."

The first game was with Gordon Military Institute. This game was a thrilling one for everybody. The Bears had a ten point lead at the half but Gordon tied it up with five minutes to play. With about a minute to play Charlie Price put the Bears back ahead and there they stayed. The final score was 35-33. Harmon lead the Bears with 17 points.

At 2:30 the Bruins met and defeated Middle Georgia to the tune of 50-46. Alex Harmon was "hot" and collected 28 of the Bears 50 points.

At 9:30 the Bears tangled with Tennessee Wesleyan in the finals. They defeated the Tennesseans 40-30 to bring home Pikeville College's first Southeastern Junior College Conference Championship, a fitting climax to a good year under a good coach.

### THE CUBS

The Cubs opened the season with a new coach, Clarence Manor, from Frenchburg, Ky. The team was built around several boys from last year's squad. Although they didn't have a successful season in games won, they showed good sportmanship and received a lot of valuable experience which should help them to a great extent next year.

The Cubs played arcund twenty games, but failed to break into the win column for the second straight season. They played the best teams in the county and several outside teams. The schedule included such teams as, Warfield, Van Lear, Salyersville, Belfry, Dorton, Hellier, Virgie, Jenkins, Phelps and Cumberland. They played Cumberland in the first round of the tournament and, although they were defeated they made a good showing. Since the Cubs lose only one man (Fletcher Hutcheson, captain) by graduation, the 1943 squad should make a good showing.

The team, as well as the rest of the Academy students, should be proud of their cheerleaders, Mary Ellen Raney, Lois Ann Huffman, Jill Hatcher and Mary Jane May. The girls kept the spirit high at the home games and some of the away-from-home games and did a swell job at the tournament.

### INTRAMURAL SPORTS

Commencement last year brought to an end the largest intramural program in the history of the school up to that time. There were nine major tournament with 101 people participating in at least one of them

The winning team for last season was a strong Sophomore team with 1363 points. The individual winners of the intramural medals were: first, Sophomore Paul Owens, with a total of 264% points; second, Freshman Jesse Collier, with 238% points.

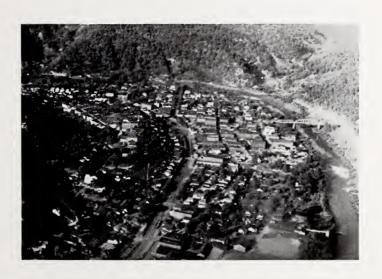

Ed McGlothlin, Intramural Manager, reports that during this school year eight tournaments have been run off with 115 men taking part in at least one of them.

Early in the year the intramural season was started off with a bang-up softball tournament. The winner over the Sophomores, 3 to 2 games, was a lucky faculty team. Then came the basketball tourney in which the faculty again came through winning 5 out of 6 games. Coming in second were the Freshmen, with 4 out of 6. Following this was started the tennis singles which had to be carried over to spring. The laurels of the ping-pong tourney were taken away by Manor, one of the "Profs," by defeating Hatcher. Panzera was third and Wright fourth. Manor also won badminton, beating Thomas Ratliff in five games. Rummel fook third with Runvon fourth.

To keep their undefeated record, the Faculty defeated the Freshmen twice to take the volley ball tourney, winning 5 out of 6 games. The Freshmen won 4 out of 6 to take second place. The track and field meet resulted in the breaking of two records and the tying of another. Collier broke the discuss throw record with 101 ft. 2 in, and tied the existing 100 yd. dash mark with 11 seconds. Varney broke his own record in the two mile run with 11 minutes 49.2 seconds. A strong Sophomore team turned out to run away with this meet by a score of 197½ points to the Academy's 93½. The Freshmen took fourth with 59 and the Faculty, with two entries, received 20 points for fourth place. Collier ran up the individual high score with five firsts receiving 135 points while Smokey ran second with 87. Following were Mullins with 57 and Chrisman with 39 for third and fourth places, respectively. When the horseshoe tourney has been completed another good season of intramural sports will be ended.

1942 finals: winning team, Faculty; individual winners, Collier, first; Ratliff, in the Academy.

The students owe a lot to "Mae" for the swell job he did in handling the intramural program this year. He kept the games and tournament running smoothly as well as the recording of scores. For his work he received a letter and a sweater.
